The Beach Treasure Adventure!

By Flynn McCawe

Two little Monsters one pink one blue,
Off to the beach, what do we do?

Let's explore and find a treasure chest,
It will be fun and we will do our best.

What's this flying in the wind,
A treasure map! We grinned!

Off we go! Let's do this thing,
Exploring is great, we want jewels like a King!

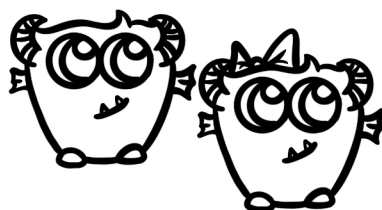

First on the map, a river we need to cross,
Let's get over to that big rock covered in moss.

Next on the map, sandy hills we climb,
Let's go fast before we run out of time!

Look! What's that? Over there with that tree?
Oh wow, it's an island floating out at sea.

Quick, let's run and get in this boat,
Uh oh, I hope we float!

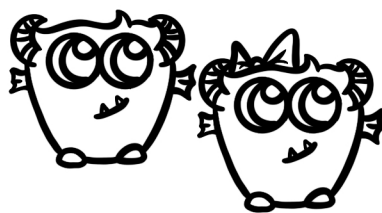

Gliding out over the ocean,
Making sure to do our paddling motion.

Yes! We made it, sand at our feet,
What's that over there as we stand in the heat?

An X! We found it, the buried treasure,
Grab our shovels, one meter downward we measure.

Dig, dig, faster and faster,
We got this, just call us the master.

Bang! What did we hit?

Oh my gosh, could this be it?

Two little Monsters, one blue one pink,
What's inside, what do they think?

Coins, jewels, crowns and gold,
Yay! We did it! I can't wait for our adventure to be
told!

The End
