

The Day the Dark Rose

Red Face Ninja

Written and Illustrated by Atticus
Briggs

Red Face is heading on his motorbike to the battlefield, a short trip to Ninjarex Temple.

He's riding in a thunderstorm and a volcano is close to erupting near Ninjarex Temple.

The volcano erupts when Red Face gets there, he does a flip off his motorbike, gets a surfboard and lands on the lava. He surfs to the battlefield.

The army of Master Cheesewaka are human soldiers with enchanted neverwrite armour, they jump on their surfboards on the lava and they fight.

Red Face wins the battle.

He jumps on his motorbike and rushes back home to play with his dog and watch a movie.

Red Face's alarm goes off, he gets up, rushes out the door and does a flip onto his motorbike.

He races to the battlefield, it takes him nearly all night.

He flips onto the Black Heart Temple and sees Master Cheesewaka and his army, they fight. He almost loses and wins by doing the triple tiger sashay but Master Cheesewaka still gets away.

Red Face jumps on his motorcycle and follows him, Red Face loses him at Rocky Fight Mountain.

Red Face hopes he catches Master Cheesewaka next time.
